#### Dog Fiercely Attacks Wife of Master It Had Been Taught to Defend

NEW YORK, N. Y., Dec. 4 .- Dr. Ferdinand Pinz, president of the New York Society of Medical Literature Research, has a big white buil terrier, the fighting kind, that he taught to defend him if any one ever attacked him.

Dr. Pins was late in reaching Dr. Pins was late in reaching home, and as he entered, accompanied by the buil terrier and a friend, Joseph Pokorny, Mrs. Pins tapped him on the shoulder and asked him what delayed him. That tapping on the shoulder was all the signal Frisco required. He appang upon Mrs. Pins in ferocious attack.

ferocious attack.
Dr. Pinz and Mr. Pokorny tried Dr. Pinz and Mr. Pokorny tried to pull the dog away, but se thoroughly had he been taught to defend his master that he was not to be discouraged by ordinary means. The physician was until Mr. Pokorny had used a chair as bludgeon against him.

Mrs. Pinz, twenty-six years old and attractive in appearance.

and attractive in appearance, was simost unconscious then. Her was almost unconstruct the was as-riously hurt and esused her to be sent to the Reception Hospital. The dog had bitten so savagely that muscles and tendons might be so injured that she would have

scribbled in nervous Jerky nandwriting, believed to be Wensel's appealing for help, was mailed near the Union Station, this city.

Secut Abdusting Tale.

The police here are certain that Wensel resched Washington Sunday night. They scout the theory that we came here a captive or was made by the special police, employed of the police of this city and prepared for the company, and records of the police of this city falls to reveal any report bearing upon an accident or arrest near the railroad station during the hours that Wenzel may have been in that neighborhood.

The station is brilliantly lighted at all it mes and two score attendants where in that neighborhood.

#### RUNAWAY BALLOONS EXCITE THREE STATES

KANSAS CITY, MO., Dec. 4-A scere of small towns and cities in Nebrasia.
Kansas, and Chiahoma are today undergoing repairs after playing at hide-and-seek for the last twenty four hours with two big United States army observation balloops.

tion balloops.

When one of the big bags slipped away from its post at Foot Omaha. Neb., it carried with it £600 feet of sicel tethering cable. As the strong winds carried the billoon from one town to another in its ceurse over the States, the big cable knocked down telephone and telegraph lines, pulled shingles from houses, and in one case a house lost its roof.

A fleet of sirplanes giarted in pursuit and one of them was badly damaged when it erashed into the cable.

# FORCES SOLONS TO

BALTIMORE, Dar 4 .- A Washington dispatch to the Baltimore American says:

"To the Congressmen there was a sew topic of discussion today, for most of them received their first taste of the hardships of this war when they sought to engage quarters for

Hotels Overcrowded. "The member who came to Wash-

"The member who came to Washington found himself confronted by
the very grave question of, finding
some place to sleep outside his own
committee room. The hotels are
crowded to suffocation with the
countless volunteer members of commissions and war burcaus.
"The boarding houses are full to
the last hallroom, for there has been
an influx of clerks from all over
the country, employed in these same
commissions and burcaus, which has
increased the adult population of
Washington by from 20,000 to 36,000,
"Spinators as a rule own their own
palatist mansions in Washington or
have long leases in apartment bouses,

Arlington, where he was educated.
Last night the Arlington police hurriedly gathered such information as it could to help unravel the mystery.

They found that Wenzel was studious, and intensely patriotic. According to members of his family he had tried to enter the navy and was rejected. The quarternasticry down Wenzel after he had qualified with high honors mentally and morally. His physical condition, principally due to bad eyesight and pat foot, caused his rejection, said his brother-in-law. Henry L. Buderer.

Wenzel had been employed by the Battimore and Ohio railroad for more than seven years as a stenographer.

Worked at Mesde.

He quit his job to enter the T. M.

C. A camp work, and went to Camp Meade to become one of the secre-

when he wrote the note," he said.

Pather Hept In Dark.
